THE PRICE OF A BOQUET.

We have read of exorbitant prices being paid by enamored libertines for boquets, when flowers were only to be obtained from hot houses, to cast upon the stage to some popular *danseuse*, who was noted more for her exhibition of legs than of modesty.

We have heard, also, of high prices being paid for bridal wreaths of natural flowers, to adorn brides upon their wedding night; but none of these were so costly as the boquet we are going to tell about, and we shouldn't be surprised if some of our readers should conclude that we are joking, when they read this paragraph. But we are not.

The boquet of which we are speaking, was bought and paid for by the people of North Carolina, through their Agents, the State officials, and cost them the snug little sum of five thousand, one hundred and forty six dollars, twenty-one and two-third cents.

Thus it was: In the Auditor's Report, page 88, statement D, showing the purpose for which disbursements were made, during the fiscal year, ending September 30th 1869, we find that for the Capitol Square, not in finding what may be expended under the head of "contingencies," there was paid out of the public fund $3,087.73.

Now, supposing the expenses to be the same in proportion, for the time that has since elapsed, eight months, and we have the expenses of Capitol Square, to date, the above amount of $5,146 21¢.

But what, ask you, has this to do with the price of a boquet? We are coming to that now.

After all that expense on the Square, as reported by the Auditor, we had heard of nothing the people had gotten in return, (that hay and clover mystery never having been cleared up,) until we saw the following paragraph in the *Standard* of the 16th inst:

"We thank our friend, Soloman Bragg, who by his skill and attention has so beautified our Capitol grounds, for a boquet of flowers, gathered from the grounds under his charge."

So there is the result; five thousand, one hundred and forty six dollars, twenty one and two-thirds cents of the people's money spent, and, so far, the result has been—ONE BOQUET!

We don't know what was the size of the boquet, nor what was the specific floral composition; but we will assume that it was about the ordinary size, say, two dozen specimens. Then we will assume that each stem had six leaves and two blossoms and that the blossoms averaged twenty petals, three pistils and forty stamens. This would give us

20 flower stalks,
120 leaves,
40 blossoms,
800 petals,
60 pistils,
2400 stamens.

Then we will have the cost of the boquet in detail, thus:

20 flower stalks at $20 each,	$400.00
120 leaves at $10 each,	1,200.00
40 blossoms, composed of—	
800 petals at $3 each,	2,400 00
60 pistils at $2 each,	120.00
800 stamens at $1,28½ each,	1,026 00
Ribons to tie it with,	21¢
Total,	$5,146,21¢

And that's the price of the boquet.

ANOTHER AFFLICTION.—Another affliction is in store for the State and people! In looking over the list of incorporators of the Southern Pacific Railroad we see the name of "John W. Forney, of North Carolina." The editor of "my two papers both daily," evidently has a motive in changing his residence from Pennsylvania to North Carolina—a motive that cannot result otherwise than in harm to this State.

The Wilmington *Journal* thinks that Forney has an eye to the Senate, in place of Abbott, and cautions the Governor to look sharp, else the new carpet-bagger will wrest from him the coveted honor. This view of the cause of the "Dead Duck's" change of residence has a probable aspect. *Journal of Commerce.*

"Good Lord deliver us."

RUMORED DEATH OF MR. STEPHENS.

The *Standard* of this morning, announces upon the authority of a telegram from Greensboro, that J. W. Stephens, State Senator of Caswell county, was, on last Saturday night, taken by a band of masked persons from his house, and shot, his body being pierced by 40 balls, and then hung up in the Court House at Yanceyville.

We have telegraphed, to ascertain the truth of the above rumor. The story to us appears incredible. That a man like Mr. Stephens, a public man and somewhat notorious, should be taken from his house on Saturday night last, shot and hung, with a family to make an outcry, and friends around him to make hot haste to communicate at the earliest possible moment such a diabolical act to Gov. Holden, and that up to 12 o'clock, M. this day, the Governor to have received no official confirmation of it, is too incredible to be believed. That no direct communication has come to this city at this late hour, from Yanceyville by way of Company Shops, but only by stage passengers on the Piedmont Railroad by the way of Greensboro, adds to the doubt. We are strongly inclined to believe that the origin of the story has no better foundation, probably, than the hanging and shooting in effigy, of Mr. Stephens, who has made himself exceedingly odious to the people of Caswell, and which has doubtless been increased by the recent instances of burning and crime in that county. His past course has identified him, no doubt, with the outrages of the members of the Union League, and hence it is not to be wondered at that he should be the object of much hatred and ill-feeling. We allude to these things as simply probable and because the rumored story, as published by the *Standard*, is not of such a character as to command our belief.

If however, Mr. Stephens has been thus brutally shot and hung as reported, we do not hesitate to denounce it as a most wicked and diabolical act. Offensive as Mr Stephens has made himself to the people of Caswell, we can conceive of no outrage on his part, which could palliate, much less justify so diabolical a deed as is alleged to have been committed upon him. We can well conceive, that the most bitter feelings must be engendered in a community, when almost every week the property of the most estimable citizens of the county is consumed by the incendiary's torch, and by parties supposed to belong to the Union Leagues. The influence which Mr. Stephens has in the Leagues and his alleged threats of vengeance against the people of Caswell, might justify the most rigid surveillance of his conduct and his arrest on the first suspicion, but we cannot justify or excuse, so violent and summary an outrage against the laws of the land, as in this instance is said to have been committed.

It is notorious—the world knows it—that Radicals, members of the Union Leagues, in this State, may commit the worst acts and the vilest crimes known to our laws, with impunity and without fear of punishment, if corrupt Courts and a corrupt Executive can screen them. But we know, even under such circumstances, no excuse, no justification, for lynch law or mob law, in any case. In one case out of a thousand, it may have done some good, but the evils of lawlessness never terminate—they grow from bad to worse, till the distinctions of virtue and vice become obliterated and anarchy, confusion and ruin ensue.

The SENTINEL and the Democrats and Conservatives of this State, in all that they have said or done, most unhesitatingly condemn all instances of lawlessness and crime. We are opposed to Union Leaguism, Ku Kluxism and every other ism, that does not respect and obey the laws of the land, and we shall not fail to denounce every instance of burglary, stealing, house burning, rape, or murder that may occur whether done by black or white; Union Leaguers or Ku Klux or what not. The Conservative Legislative Address has taken strong and proper ground upon this subject, and upon that platform we stand.

Crime must be stopped in North Carolina at all hazards. Every thief, burglar, house burner, or ravisher or murderer should be visited with the full punishment of the law. But these punishments must be administered by the Courts and not by the mob or the lawless men who chooses to take the law in his own hands.

We are daily receiving letters similar to the following, from all parts of the State, which we would like to publish, if we had space. The following being short, we insert it, and will give extracts from others when we can make room.

LA GRANGE, N. C. May 16, 1870.

ED. SENTINEL, DEAR SIR:—As the August election approaches the sky of our political horizon grows brighter and brighter, until we are beginning to see certain victory looming up in the not far distant future. The bright rays irradiated from the SENTINEL are beginning to shed a vivifying and healthful influence among the once deluded people of this section of country.—Your bold expositions of this corrupt administration of public affairs is being seen, felt and will be acted upon in August next.

You have clearly shown and fully convinced the white man of his enemy and the black man of his friend. The last but not the least absurd scheme is being preached to the colored man down here, that if the democrats get in power they will disfranchise him &c., but the teachings on this point are having little or no effect, the negro knows that his status has been fixed by a higher power than State legislation. Besides they have listened to so many fair promises &c., none of which have ever been fulfilled, that they have become rather callous to such things. Press forward, Sir, in your vindication of right and justice, and imperishable laurels will crown your efforts. The grateful acclamations of a grateful people will be echoed throughout the entire State. Continue to show the Holdens, the Swepsons the Littlefields and the so fourths up in their true light, and all will be well.

Very respectfully,

W. S. B.

PERSONAL.—We notice registered at the National Hotel this morning, the names of Gens. McDowell and Engells, Maj. Staunton and Capt. Foster.

CONSERVATIVE MEETING IN CHATHAM.

In pursuance of a call for that purpose, a large number of the Conservative citizens of Chatham county assembled in the Court House square, in Pittsboro', on Tuesday, the 17th inst.

Col. Jas. F. Rives was called upon to preside and Mr. Wm. M. Harper requested to act as Secretary.

The Chair briefly explained the object of the meeting and then appointed Messrs. J. G. Rencher, Robt. Dosset, Joshua Hackney, Robt. Peyton and Wm. Webster, to draft resolutions for the consideration of the meeting.

During the absence of the Committee Maj R. W. York responded to the loud calls made for him in a comprehensive, telling speech, at the conclusion of which the Committee reported as follows:

The Conservative party of Chatham county, in Convention assembled, in view of the approaching campaign and being desirous of making known their principles, that all men may judge between them and their opponents; and also to secure the cooperation of all who are opposed to Radicalism, do

Resolved, 1st. That they hold that the address of the Conservative members of the last Legislature expresses the sentiments of the entire party.

2nd. That we recognize the political and legal rights of the colored people as fully guaranteed by both the State and Federal Constitutions, and we have not the least intention or desire of hindering them in their exercise and enjoyment of them.

3rd. That we are and always have been opposed to the reckless and unconstitutional expenditure of the public money made by the Radical party of this State, by which the people have been individually impoverished and the State made bankrupt; and that we are utterly opposed to the payment of what are known as the "special tax bonds."

4th. That the failure of the Republican party to establish a system of Common Schools; their misapplication of the educational fund and their worse than foolish sales of the lands owned by the State for educational purposes, merit the condemnation of all good citizens, white and black.

5 h. That we are opposed to the present system of an elective judiciary.

6th. That the old form of law procedure was less expensive and better suited to our people than the present one; and that County Commissioners, with the existing township organizations, are more burdensome and less effective for good than the old County Courts.

7th. That the Conservative party is in no way responsible for the acts of violence and disorder done in the county; that it has, on the contrary, every reason to believe that they have been planned and executed by the Radical party for polical purposes; and that it hereby denounces all secret political societies.

8th. That in order to secure concert of action in the ensuing campaign, we are in favor of a county nominating convention, to be held in Pittsboro', on Saturday the 25th day of June next. That each township shall be entitled to five (5) votes in said convention, and that no township shall be represented in said convention by more than five (5) delegates.

9th. That those townships which have not already held their meetings, are requested to hold them on Saturday the 4th day of June next, and appoint five delegates to the county nominating convention.

10th. That we do hereby pledge ourselves to the support of each and all the nominees of said convention.

11th. That the chairman of this meeting shall appoint an Executive Committee of nine—three of whom shall constitute a quorum—who shall have plenary powers in all matters not here provided for, for the ensuing campaign, and who shall hold their office until the meeting of the nominating convention, which may replace them.

12th. That each township is expected to perfect its organization in accordance with the recommendation of the Conservative Legislative Address.

13th. That the chairman of this meeting appoint 25 delegates to represent the county in the District Convention at Franklinton.

The report of the Committee being unanimously adopted the chair announced the following gentlemen as the Executive Committee: Messrs. W. L. London, (chairman.) Nat Clegg, Thos. B. Farrar, George W. Foushee, R. B. Paschall, Robert Payton, R. J. Powell, J. G. Rencher and Jordan Tysor.

The following gentlemen were appointed delegates to the Franklinton Convention: Messrs. H. A. London, Jr., R. W. York, John Manning, Jr., H. W. Pebles, John M. Moring, George Hanner, C. S Hollemar, Thos. J. Emerson, John W. Scott, Robert Peyton, J. G. Rencher, J. J Jackson, Joshua Hackney, Dr. Foushee, J. J. Goldstone, Dr. G. C. Newby, Jordan Tysor, Everett Bryan, J. N. Clegg, W. G. Albright, H. O. Dunlap, G. W. Foushee, Wm. A. Rives, Jr., James H. Headen and Gid Alston.

On motion the Secretary was directed to send a copy of the proceedings to the Raleigh SENTINEL with a request to publish.

On motion, the meeting then adjourned.

JAMES F. RIVES, Ch'm'n.

WM. M. HARPER, Sec'y.

A NEGRO RADICAL EDITOR DENOUNCES HIS PARTY.—The Missionary Record, published at Charleston, S. C., by a negro, thus scours the Radical party of the South:

We know that in the Republican party we have some of the most unscrupulous demagogues, some of the most dishonest of men. We have never been so wedded to any party as to wink at all its sins, or to spare any of its numerous sinners, when we have believed that they needed scouring at our hands.

We know of transactions which will make an honest man blush to mention—the expenditures of moneys wrung from the taxpayers, which may be characterized as high way robbery.

The school question is another which enters into the vitality of the nation's progress and prosperity; and yet there has not been a dozen schools established in any of the parishes or districts outside of the large cities, and yet the commissioners are drawing their pay, and all other officers are feeding at the public crib, while the people are bleeding at every pore. We say to Republicans and to that party that unless they themselves begin a reform, and that speedily, the people will reform the party by electing others more competent and honest, who will carry out the great principles of government, namely, the good of all the people. We warn our officials in State, county and city, that unless they rise commensurate with the demands of the times and wants of the people, they will be hurled from power and their places filled with better men, whether they be to the manor born or of foreign birth, whether they be of the Republican or the "Citizens' Party"—so that they are honest men, and will secure to the people the blessings of civil liberty and human prosperity.

Henry Ward Beecher, according to the New York *Herald*, makes Plymouth Church resound with laughter every Sunday.

The following was received several days since, but was accidentally mislaid.

Tribute of Respect to Hon. Thomas Ruffin.

At a meeting of the Bar of Orange Superior Court, Spring Term 1870, the following proceedings were had:

On motion John W. Norwood was called to the chair, who explained the object of the meeting, and Henry K. Nash requested to act as Secretary.

Upon motion Gov. Graham was appointed to draft resolutions appropriate to the occasion.

Whereupon the meeting adjourned until the next morning at 10 o'clock, when the following was presented and unanimously adopted:

The death, since the last term of this Court, of the Honorable Thomas Ruffin, the late eminent Chief Justice of the State, in the town of Hillsboro', the scene of his early professional labors, for a long period his home, and his chosen place of retirement in his declining years, has left a void in the community which is the subject of deep and general regret, and which has brought together his professional brethren, practicing in the Court, to give expression to their sense of his loss to the country, and their appreciation of a public character so admired, distinguished and useful.

Entering upon an active career in the practice of the law early after attaining to years of majority, and pursuing it either at the Bar or upon the Bench until his voluntary withdrawal from the highest seat of justice in the State, when approaching the age of seventy, he with distinction as a Counselor, Advocate and Judge, which by general concession assigns him few rivals and no superior in the annals of North Carolina, and gives him a place in the front rank of American Lawyers.

His recorded judicial arguments for twenty three or four years that he sat as a Judge of the Supreme Court will challenge the scrutiny of the profession, and with most rare exceptions, its approbation in every department of learning known to our jurisprudence, wherever our system of law shall be administered or studied.

To this high excellence as a Judge he added the attributes of a public spirited and patriotic citizen, an enlightened, hospitable and liberal gentleman, an example to be imitated in every social and domestic virtue, and the faith and practice of an humble christian.

Happy in the consciousness of a long and well spent life, he was not less fortunate in the circumstances of its termination, although he had reached the 83rd year of his age, his faculties were unclouded, his spirits unabated, and his society, conversation and counsels were still the charm and guide of his family, his friends and neighbors. Therefore

Resolved, That the members of the Orange Bar sincerely lament the loss which the profession and the people of the State have sustained in the death of the Honorable Thomas Ruffin, whose public services, talents and virtues are justly the pride of his country, and have given lustre to her fame.

Resolved, That the report of these proceedings be published in the Hillsboro *Recorder*, Raleigh SENTINEL and such other papers of the State as shall be pleased to copy the same; and that a copy be likewise transmitted by the Chairman of this meeting to Mrs. Ruffin, with the assurance of our heartfelt sympathy in the afflicting bereavement of herself and family.

Whereupon the meeting adjourned.

FREIGHTS AND RAIL ROAD MANAGEMENT.

MR. EDITOR:—I will call your attention to a few facts (as I have been credibly informed) that need an explanation. If you cannot explain them satisfactorily to the public, please call on Billy for another loud blast from his Horn.

1st. A lot of fur was shipped (by a merchant of Stokes county) to Philadelphia, from High Point on the N. C. Rail Road, that weighed 896 pounds for which he paid $16,19 freight. Or in other words he paid more than $4 per 100 pounds. It took more than one fourth of what the fur brought in Philadelphia, to pay the freight. Shall we ship by another line, or start a wagon train?

2nd. A number of merchants are shipping their goods to Greensboro this season, who have been in the habit of having them carried to High Point. They say their reasons for so doing is, first class freight to the former place is $1,19 and to the latter $1,85, and they cannot send way freight from Greensboro to High Point for less than 66 cents per 100 pounds, about 17 miles distance. And it is cheaper to wag on goods from Greensboro to High Point than send them on the train.

3rd. A merchant of Lexington shipped goods from the North to Salisbury to be reshipped back to Lexington because he could make money by the operation.—Would it not have been easier and better for the cars to have discharged the freights the first time they passed Lexington than to carry them to Salisbury and back? Why do so much extra work for less money? or in other words why do not our Directors save the merchants of Lexington from the trouble of reshipment and the road from the expense of carrying the freights forty miles unnecessarily? Give Lexington the benefit of this extra expense of the Company, if you wish them friendly. In Stokes we have an old way of judging individuals by their acts. If a man does another a favor without injuring himself, we regard it friendly. But if he puts him to heavy expense in order to injure another, then we regard it not only mean but malicious and corrupt. How would this conduct of the Directors of the N. C. R. R Company look with this rule applied? People of Lexington, speak out! What has become of the "man who did not steal Darr's Mule?" He might distinguish himself by battling the engine off the track until justice is done his people.

Does the Ring control the Road? Have they bought up Greensboro' and Salisbury? It would seem so; for the course they are pursuing is building up those places, at the expense of the way stations, and those persons who have been in the habit of shipping through them. They are shrewd fellows, and their object may be to reduce the price of property at the way stations, in order that they may buy. They seem either to fear or favor the printing presses; for they discriminate in favor of those stations where newspapers are published. Tell them it is useless to try to kill the Road by driving the people from it for if they could not buy from the last Legislature they had better never try again.

Having enjoyed "peace" for a time let me now say give us some justice. B.

The people of Davie County held their County Convention on last Saturday. Maj. W. M. Robbins was unanimously nominated as the candidate to represent this Senatorial district in the next Legislature. He is therefore the candidate, as he was nominated by our last County Meeting as the choice of Rowan, subject to the decision of the Davie Convention.

The Davie Convention also appointed delegates to the District Convention to be held at Statesville, Thursday 2nd June next, and instructed them to go for Shober. *Salisbury Examiner.*

REMOVAL.

The State National Bank of Raleigh has been removed from the old stand of John G. Williams, & Co., to the new banking house, next door North of Tucker Hall, May 23 d5t.

NEW ADS.—Don't fail to read the announcement of A. G. Lee & Co., wholesale Grocers and Commission Merchants.

M. J. Mosely, Confectioner, announces a host of good things.

Don't fail to read the new advertisements.

Turtle Soup at Pepper & O'Connor's tomorrow.

I. O. O. F.—There will be a meeting of Metco Lodge, I. O. O. F., this evening at their Lodge room, at the usual hour.

GOOD CHEWING TOBACCO.—Several days ago, we had laid on our table two plugs of fine chewing tobacco, from the establishment of Mr. D. W. Spivey, on Market square, with a request that we test its quality. We have complied with the request and report it a very—very good article, and can recommend it.

GOING TO TAMPICO.—We learn from the telegram that our quondam acquaintance, the late Confederate tythe collector, Henry A. Badham, has been nominated to the Consulship of Tampico; the place lately declined by Pike. This is a most excellent appointment—for the people of Alamance, but, for the people of Tampico, a dish of mighty bad ham and eggs!

AHEAD OF THE WAGON.—The *Standard* of this morning has a cock-and-bull story in regard to Mr. Peyton Williams having quit the Conservative meeting on Saturday night in great disgust, &c., &c.

Mr. Williams called on us this morning, and requested us to say, that the *Standard* has misrepresented him in the paragraph of this morning. That the expressions of his on which the statement was based were not susceptible of the construction placed upon them; that the "disgust" he expressed was at the general apathy of Democrats and Conservatives of this city, who are deeply interested in a just and economical administration of affairs, but who give so little effort to bring this about.

The *Standard* ought to refrain from lugging private individuals into its editorials, especially when it is done to misrepresent them for the purpose of making party capital.

FINE BERRIES.—The Express man called on us yesterday, with a basket in his hand, and in the basket about a gallon of as nice strawberries as ever adorned a bed of vines or added an attraction to a dish of cream and pulverized. We measured several that were an inch and a half in diameter, and we believe the whole would average over an inch. An accompanying note states that there are "plenty more of the same sort" where they came from.

This nice present is from our friend, Dr. G. W. Blacknall, the popular proprietor of the Kittrell Springs Hotel, located at Kittrell Springs Depot, on the R. & G. Railroad, about half a mile from the Springs; which house we learn, is now open for the summer, with every preparation for the comfort and convenience of summer visitors, who may be seeking rest, recreation, pleasure or health.

STALL No. 8.—Mr. Wm. R. Crawford desires his old customers and friends, as well as all others who like to have a nice piece of beef, mutton, lamb or shoat, such as he has always been in the habit of furnishing them, to call at his stall, No. 8, at the new Market House, and they shall be furnished with as good Butcher Meat as the market affords.

When you come to market call on him.

May 24th, 1870.

CORRESPONDING SECRETARY.—Rev. J. Hinton Smith having resigned the position of Corresponding Secretary of the State Agricultural Society, the Executive Committee to-day unanimously elected J. J. Litchford, Esq., to the vacancy, who immediately entered upon the discharge of his duties.—We call attention to the following card issued by him, in regard to advertisements being inserted with the new premium list to be issued at an early day. The selection of Mr. Litchford for this position is a very appropriate one, as he is a most energetic gentleman, and will faithfully and intelligently discharge the onerous duties of the position.

TO BUSINESS MEN.

It is the purpose of the Executive Committee of the North Carolina Agricultural Society, to publish, in a few days, a revised Premium list. The usual number of pages will be reserved for advertisements, those wishing to avail themselves of this mode of advertising, will please communicate promptly with

J. J. LITCHFORD,
Correspondent Secretary.

RALEIGH CEMETERY ASSOCIATION.—At a meeting of this Association, held to-day, the following resolution was adopted, and the city papers requested to publish the same, as a matter of general interest to the community:

Resolved, That all lots heretofore taken, or which may be taken and paid for on or before the first day of December next, shall be rated at $25 per lot of 16 by 30 feet.

We will take occasion in complying with the above request, to say that the improvement of the grounds of this Cemetery is still progressing. A house has been built for the keeper of the place, on this side the brooklet that runs through the grounds; "the lake," a pretty sheet of pure water, has been enclosed, and other improvements added, which are bringing it out to be one of the most beautiful places in the vicinity of the city.

TOWNSHIP MEETING IN GRANVILLE.

OAK HILL, May 20, 1870.

MR. EDITOR:—Pursuant to notice, there was a meeting of the Conservative people of Oak Hill Township, held at the Township Court House, on the 16th inst., for the purpose of sending delegates to the Franklinton District Convention, also to the County Convention, to be held at Oxford, on the 25th day of June.

The meeting was called to order by choosing Mr. Jas. Blackwell Chairman, and J. B. Smith, Secretary.

Calls were made upon Ex-Sheriff Philpott to explain the object of the meeting. Mr. P. after complying with the request, proceeded, in a few practical remarks, to sum up and compare the county expenses under the Conservative administration with the present expenses under Radical misrule, reflecting no little upon the wastefulness and corruption of the latter.

It is but proper to add that this meeting, composed of the oldest and best citizens of the Township, was compelled to be held under the trees. His Honor, "Dick" Jones, Esquire, a worthless fellow, but now a "great man," refusing to let the very men who paid the tax to build said Court House, have the use of the same to hold a Conservative meeting in, although he did not object to a Radical meeting being held there a short time since, but he is too insignificant to notice, and would not do so, but to show the people of the county a petty piece of tyranny by a worthless scoundrel. We understand that he would have shot you, Mr. Editor, if you had have mentioned his name in your last speech in Oxford.

The following are the Resolutions adopted by the meeting:

In view of the deplorable condition to which the State of North Carolina has been reduced by Radical rule, we a portion of the people of Oak Hill Township, have this day met to consult what is best for us to do in this time of corrupt and profligate administration of the affairs. Therefore

Resolved, 1st. We approve of the holding a convention in Franklinton on the 7th and 8th days of June next for the purpose of nominating, candidates to represent this Congressional District in Congress, and that we send twelve delegates to said Convention from this Township.

Resolved, 2nd. We also heartily approve of the holding a County Convention in Oxford on the 25th day of June next for the purpose of nominating candidates to represent this county in the next Legislature, and to nominate suitable persons to fill the county offices, and that we will send twenty-four delegates to said convention.

Resolved, 3rd. That we present the name of our countryman Hon. R. B. Gilliam, for nomination at the Franklinton convention, and pledge our whole strength to his support and would hold his nomination as an honor to us.

Resolved, 4th. We pledge ourselves to support the nominations made at each of the above named conventions.

Resolved, 5th. That we cordially invite all our fellow citizens to aid us in this effort to overcome the forces of Radicalism in this County, and let us without respect of race, color, or previous condition, rally to the rescue of the good old county and shoulder to shoulder as one man determine that we will work and will succeed.

The following are the delegates to Franklinton:

R. F. Mustin, L. A. Blankenship, Geo. W. Watkins, W. S. Daniel, Ged. W. Rotard, Dr. G. W. Landis, Jno. D. Wilkerson, Ruffin Chandler, Henry J. Hester, T. T. Harrison, L. B. Stone, Richard Harp.

And the following to the county convention:

Wash O'Bryant, col. Wm. Overby, col. Doctor Pence, col. Phillip Pearce, col. Wesley Owen, col. Edward Currin, col. Adam Satterwhite, col. Green Puryear, col. James Pittard, col. John Blackwell, col. Henry Clark, col. Wm. Mitchell, col.

JNO. B. SMITH, Sec'y.

The Popular Tonic of the Age.

The day has gone by when a medicine without merit could command and retain the confidence of the world. Advertising induces the public to try many things, but in this shrewd and thoughtful age, words will not suffice without proofs, and it is by the exercise of their private judgment, men determine the relative value of the various articles recommended to their notice through the business columns of newspapers. Hostetter's Stomach Bitters has now been subjected to this searching ordeal for more than eighteen years, and the result is that it stands at the head of the class of remedies to which it belongs. It has distanced and sived down innumerable competitors, and is to-day the standard Vegetable Tonic of the western world. The happy effects which have followed its use in cases of dyspepsia, biliousness nervous affections, intermittent fevers and general debility, and as a constitutional invigorant, have entitled it to universal confidence. Nothing can ever shake its reputation, for it is based on the individual experiences of tens of thousands of witnesses, embracing prominent and well known citizens of every profession, occupation and class. There is not a city, town or settlement in the United States where it is not a medicinal staple. No druggist or general dealer would consider his stock complete without it, and the returns of the internal revenue department show that its sales exceed those of any other proprietary restorative manufactured on this side of the Atlantic. The beneficial results derived during a long series of years from the use of Hostetter's Bitters, have convinced the whole community that the only true way to restore to health a broken down or debilitated system, or to put the human body on its defence when exposed to anywhole-some influences, is to invigorate, regulate and purify it at one and the same time.

OFFICE OF THE N. C. LAND CO.,
RALEIGH, N. C., May 9-8, 1870.

Mr. Editor:

SIR:—We are in receipt of several letters from capitalists of Europe, asking us to forward them descriptions of some eight to ten large tracts of land, in different parts of the State, containing from 15,000 to 100,000 acres each, to settle colonies on.

Owners of such tracts, who wish to sell, will please forward to our office, description of their land, location, price, terms &c. This company makes no charge for land placed in their hands, unless a sale is made.

A prominent Shipping House of Liverpool writes us to day, asking if we will engage to furnish them with return freight, if they put on a line of Steamers to carry emigrants direct from Liverpool to Wilmington in our State. All they ask is for us to assure them this, and they will put on a steamer at once.

Here is an opportunity offered for us to ship the products of this good old State direct to Europe, without paying tribute to any of our sister States; who will assist us in bringing this about?

SWEET QUININE

Is a Recent Improvement.

Replaces the use of the BITTER SULPHATE QUININE, with which all are familiar.

Does for dose, it is

WARRANTED

Fully equal in every way to Bitter Quinine,

AND, LIKE IT, IS THE ONE

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin.

Fever and Ague,
Intermittent Fever,
Chill Fever,
Remittent Fever,
Bilious Fever,
Dumb Ague,

and the long train of disorders following those when neglected.

SWEET QUININE

is made solely from Peruvian Bark (so is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, malarial or miasmatic poison, the absorption of which by the lungs causes Intermittent Fevers, etc. The one advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that intense, persistent bitterness, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

Is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

PURELY MUTUAL. DIVIDENDS PAYABLE AT THE END OF THE FIRST YEAR AND ANNUALLY THEREAFTER.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY CEASE TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and *each year thereafter*, equals FOUR HUNDRED AND THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fire!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less—it lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to the other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Testimonials without number from citizens of this, as well as those of other States might be published, but the above is sufficient. Any person having the Right can make 8 to 10 bbls. of the Fluid in an hour.

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES H. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coastwise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

UNPREGEDENTED SUCCESS

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparatively noiseless, easily understood, and in a word it combines with these ADVANTAGES, EXCLUSIVELY ITSOWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs. TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.

The BROOKLYN LIFE enjoys the highest reputation *for judgment, of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation depends.

Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.
